

Help us create a new photo directory!

Stop by the table in the entry to see samples of what our new, self-published directory will look like or ask for a pdf to be sent by email. Then, **please help us by selecting the options that fit for you:**

I'd like to use the photo already on file. (This option may only be selected if there have been no changes in your family ie. births, deaths, etc.)

I'll submit a new photo to Nancy Britson in the church office– nancy@molive.org

Photo Guidelines:

- We can't use copyrighted photos without the photographer's permission
- Photos will be small, so may be cropped to show faces more clearly
- Casual phone snapshots or selfies are fine.

I'd like someone to take a photo of me/my family at church– stop by the Welcome Desk following worship

I've had changes in my contact info. that aren't reflected in the current directory sample.
