### To Creed or Not to Creed... that is one question

As a group we will enjoy good food, drink, conversation, art, and music as we dream together how Olive Branch can be a community where creativity and questioning are central and “locking-in” to anything, including a single statement of belief or way of thinking about God may not be a viable option.

### Thanksgiving Eve Worship

This will our first opportunity to experiment with what “Olive Branch” worship could look and feel like. You’re invited to bring a non-perishable food item for our collection. And stick around afterwards to enjoy pie together!

Note: We know that it can be hard to even enter a church if you have been hurt by church people in the past. Olive Branch is in the process of finding a safe community space where we can gather when we being weekly worship in 2020.

### Winter Solstice Event

After the longest night of the year we gather to recognize that not everyone feels hopeful or joyful during the Christmas season. This is a time and space to seek healing and peace, and share emotions that often feel out of place during the holidays.
